

BACK BY POPULAR DEMAND!!

THE OAHA PROGRESSIVE BARN PARTY

We invite you to participate in this year's Progressive Barn Party to be held following the last class on Saturday night. Last year was a resounding success, and we are looking forward to making it even better this year.

Your participation contributes to the success of this evening. Smaller barns and individuals can group together and share expenses. It will cost less to participate than taking the "whole crew" out to dinner! Several barns have already committed and we sincerely Thank them. Now we need you!!

For more information, assistance participating or menu ideas, please contact:

Deanie Gersch at (772) 446 6168
Email: ladyangler@etcmail.com

We have several caterers available to help you. Your party can be anywhere from "do it yourself" to writing a check and the caterers will do the rest.

Please join us for a GREAT evening
