MESSAGE FROM OUR PRESIDENT

Thoughts from the Round Pen

Dear OAHA Members

I would like to thank everyone who attended our June meeting. Our guest speaker, Dr. Craig Roberts DVM, spoke on Equine Sports Medicine. He is a wonderful vet and great speaker. His talk was very informative. He spoke about the advantages of Adequan and how it can increase our horse's soundness and longevity. We appreciate Dr. Roberts taking time to speak to us. He is someone that I truly respect and regard as an expert in his field.

Also, remember that June was our LAST meeting for the summer. We will reconvene our meetings September 27th. I hope to see you there.

I hope the remainder of your summer includes many good rides!

Sincerely,
John Rannenber

JUNE MEETING MINUTES

The meeting was called to order at 7:35 p.m. by President John Rannenber. He thanked everyone for all the food and attendance. He introduced Dr. Craig Roberts, a specialist in equine sports medicine. His website is www.CTRDVM.com. He is located in Gainesville and his specialty is lameness and performance horse medicine. Dr. Roberts gave an excellent and highly

informative talk on the advances of medications for soundness problems. After his presentation, he took questions from the attendees.

It was announced that Karen Hickok's mother and Karl Hart's mother had passed away in recent days and all our thoughts are with them at this difficult time.

Secretary's Report: - Passed as published in the Hoofbeats newsletter.

Treasurer's Report: Treasurer Lauren Ford gave the report. A motion to accept was made by Linda Roberts, seconded by Barbara Buchanan. All were in favor.

There was a general discussion on whether to change the rule stating that five meetings must be attended to qualify. It was decided that five meetings should be attended or volunteer work for the club should be done. Lauren Ford gave a report on the 2006 OAHA Amateur show. The dates will be March 18 and 19, 2006. We have the contract with the Pavilion and all paperwork had been filed with AHA and USAE. Fran Lee gave a report about the Youth Jamboree. Attendance was down a bit but the quality was up. The kids got a lot out of the show. There was general discussion about all the good it does for the kids and the future of the industry. Fran Linn and Linda Roberts will write to AHA, Region 12, the Times, World and bring it up at Convention in order to 'kick it up a notch'.

To the OAHA Membership,

I've learned over the years that there's nothing more comforting during stressful times of our lives than a strong circle of friends. I'd like to take this opportunity to thank the membership of OAHA for the cards, good wishes, and cards during my accident recuperation and most recently, the death of my mother. Believe me when I say this, the smallest gesture is greatly appreciated. Knowing that your friends are thinking about you and offering help is extremely helpful. Thank you all. Karen Hickok

GREENER PASTURES

Sally Struss sadly reports the loss of Bay Amerigo to laminitis. "Rico", a purebred Arabian gelding, had been USA Horse of the Year, twice U.S. National Top Ten in Dressage, Legion of Honor, Supreme Honor, Legion of Excellence, multi-regional champion in Training, First, Second, and Third Levels, as well as leading his amateur-owner rider to her first "10", the Dover Medal and Bronze Medal. "Rico" will be remembered for his extreme athletic ability, courage and heart - which indeed was the heart of a champion. He was euthanized on July 6, 2005.
